

Saviour College of Nursing

Florence Nightingale (1820–1910)

“I attribute my success to this – I never gave or took any excuse.”

Overview

Combined Overview – Saviour College of Nursing & Rathi Hospital Group

Saviour College of Nursing was established in 2021 with the aim of preparing skilled, compassionate, and competent nursing professionals. The college is recognized by the Government of Delhi, approved by the Indian Nursing Council, and affiliated with the Delhi Nursing Council and Guru Gobind Singh Indraprastha University.

It offers ANM, GNM (2021), and B.Sc. Nursing (from 2025 – IP University affiliated) programs with strong emphasis on academic excellence, clinical skills, and ethical nursing practice.

Dr. S.D Rathi

For clinical training, the college is attached to **Rathi Hospital, which was established in 1980 by Dr.S.D Rathi** with a vision to provide ethical, affordable, and quality healthcare to the community. Over the years, the hospital has grown into a 100-bedded multi-specialty hospital serving patients across Delhi & NCR with modern infrastructure and compassionate staff, committed to patient safety and continuous quality improvement in line with NABH standards.

Branches / Associated Institutions

- **Saviour College of Nursing Ranhola**
- **Rathi Hospital Ranhola**
- **Rathi Nursing Home sultan puri**

Together, these institutions provide integrated healthcare and nursing education, promoting compassion, professional excellence, and community welfare.

ADMINISTRATION

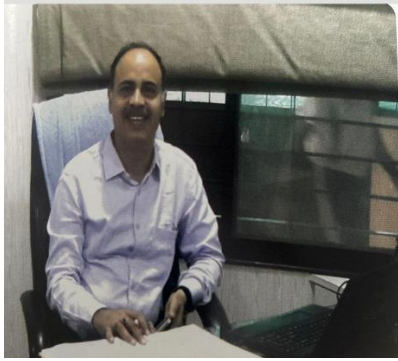

Trustee– Dr. Ankur Rathi

Dr. Ankur Rathi (MBBS, MD) is the Director of Rathi Hospital and a Consultant Physician with over 12 years of experience, dedicated to providing ethical and quality healthcare.

Message

“It is an honour to serve the community through Rathi Hospital and support nursing education at Saviour College of Nursing. My aim is to promote compassionate care and prepare skilled healthcare professionals for a healthier society.”

Trustee – Mr. Sunil Pandya

Mr. Sunil Pandya, a postgraduate in English Literature and M.Ed., is an experienced educationist who has served at Vidyasagar Group of Institutions and SSRVM Indore. He is presently Chairman of Parijat Group of Institutions and College of Nursing.

Message

It gives me great pleasure to be associated with **Saviour College of Nursing**, an institution committed to excellence in nursing education. In today's rapidly changing healthcare environment, nurses must combine strong clinical skills with compassion, ethics, and professional responsibility.

With quality teaching, experienced faculty, and practical training, we strive to prepare confident and competent nurses who will serve society with dedication and care. I wish all our students a bright future in the noble profession of nursing.

Director – Babli Duhan

Message

It is my privilege to serve as Director of **Saviour College of Nursing**. Our goal is to provide high-quality nursing education with strong clinical training and professional values. With dedicated faculty and hands-on experience, we prepare students to become skilled, compassionate, and responsible nursing professionals.

I wish all our students success as they grow into confident nurses committed to serving humanity with care and excellence.

Principal – Sushil Kumari Arora

The Principal of Saviour College of Nursing holds **M.Sc. in Obstetrics & Gynaecological Nursing** along with **M.A. in Psychology and Sociology**. She has an extensive professional experience of **43 years in nursing education and clinical practice**.

Message

We emphasize discipline, ethical practice, research orientation, and lifelong learning to ensure that our students grow not only as skilled nurses but also as responsible members of society.

I encourage all aspiring students to pursue nursing with dedication and a spirit of service, and I assure you that Saviour College of Nursing will provide the right environment to help you achieve your professional goals.

I wish all our students a bright and successful future in nursing.

Vision

- To provide excellent nursing education.
- To develop caring, ethical, and socially responsible professionals.
- To nurture compassion, empathy, and integrity.
- To strengthen clinical knowledge and practical skills.
- To contribute towards building a humane and healthy society.

Mission

- To create a learning environment based on professional ethics and moral values.
- To develop responsibility, confidence, and dedication in students.
- To prepare competent nurses for quality patient care.
- To promote health, prevent illness, and support recovery and rehabilitation.
- To encourage evidence-based practice and research.
- To provide strong theoretical knowledge with extensive clinical exposure.
- To prepare nurses to serve individuals, families, and communities in urban and rural settings.

Philosophy

At **Saviour College of Nursing**, we believe nursing education should be based on scientific knowledge, effective teaching methods, and strong clinical practice. We aim to prepare competent, confident, and compassionate nurses who can meet the changing health needs of society.

We emphasize holistic care, ethical values, critical thinking, and respect for patient rights. Through quality education, modern infrastructure, and extensive clinical exposure, we promote evidence-based practice, research, and lifelong learning.

With the guidance of experienced faculty, we prepare nurses to work effectively in hospitals and communities, make responsible decisions, and grow into dedicated professionals and future leaders in the nursing profession

Course Details

B.Sc. Nursing Programme –

- **Affiliated to:** Guru Gobind Singh Indraprastha University
- **Duration:** 4 Years (8 Semesters) including Internship
- **Total Seats:** 40

Course Objective

The programme aims to prepare competent and professional nurses dedicated to health promotion, disease prevention, patient care during illness, and rehabilitation of individuals, families, and communities.

Curriculum

The curriculum is designed on strong theoretical foundations with extensive clinical training, enabling students to deliver quality nursing care in diverse healthcare settings such as hospitals, community health centres, and specialty units. Students are trained to develop critical thinking, professional ethics, and effective communication skills to serve society with competence and compassion

Eligibility criteria

unmarried females who have passed 10+2 with Physics, Chemistry, Biology, and English, securing a minimum aggregate of 50% (45% for PwD, 40% for SC/ST/OBC) in PCB, and must be at least 17 years old.

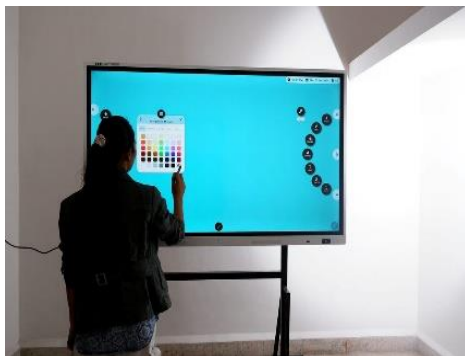

Detailed Eligibility Criteria for B.Sc. Nursing at IPU (GGSIPU):

- **Gender & Marital Status:** Only unmarried female candidates are eligible for the B.Sc. (Hons.) Nursing program.
- **Educational Qualification:** Candidates must have passed the 12th-grade examination (10+2) under the CBSE board or an equivalent examination from a recognized board.

- **Subject Requirement:** The candidate must have passed in Physics, Chemistry, Biology, and English (core, elective, or functional) subjects individually.
- **Minimum Marks:** A minimum of 50% aggregate marks in Physics, Chemistry, and Biology (PCB) is required.
 - **Relaxation:** 45% for PwD candidates.
 - **Reserved Categories:** 40% for SC/ST/OBC candidates in PCB.
- **Age Limit:** The minimum age limit is 17 years as of 31st December of the year of admission.
- **Admission Process:** Admission is typically based on the marks obtained in the IPU CET (Common Entrance Test) or **NEET UG/CET scores** as per the university norms for the specific academic session.
- **Management 4 seats from college level admission**

Physical Facilities in the Saviour College of Nursing

Smart Classrooms & Learning Facilities –

Saviour College of Nursing is equipped with modern, interactive smart classrooms that use advanced interactive whiteboards. These boards support a wide range of multimedia resources, including images, text, audio, and video from desktops, laptops, DVD players, and USB devices. This technology enables our faculty to create engaging and innovative teaching materials, moving beyond traditional chalk-and-board methods to enhance learning for nursing students.

For safety and discipline, all classrooms are well-organized and monitored with CCTV cameras, ensuring a secure and focused academic environment.

Key Features:

- Interactive smart boards and LCD projectors for audio-visual learning.
- High-speed internet connectivity for accessing updated medical content.
- PowerPoint presentations, digital charts, and 3D anatomical models for better conceptual clarity.
- Video demonstrations of clinical procedures and case-based discussions.

Smart classrooms help students understand complex clinical concepts more effectively and improve their practical knowledge, critical thinking and professional competence.

INSTITUTE LIBRARY – Saviour College of Nursing

The Library of **Saviour College of Nursing** is well-equipped to support the academic and research needs of students and faculty. The library contains **over 2000 books**, e-books & e-journal covering all major nursing and medical subjects, along with **18 different journal titles** related to nursing, medicine, and allied health sciences.

Multiple copies of important textbooks are available for easy access. Books and journals are issued to students and staff for a period of two weeks as per library rules. A **Book Bank facility** is also provided for needy students.

The library offers a quiet and comfortable study environment that promotes reading, learning, and research.

☐ Collection & Resources

- Rich collection of updated nursing textbooks, medical-surgical, pediatric, psychiatric, community health and obstetrics & gynecology books.
- National and international nursing journals, magazines and periodicals.
- Reference materials including encyclopedias, medical dictionaries and research publications.
- Previous years' university question papers and competitive exam preparation books.

☐ Infrastructure

- Spacious and well-ventilated reading hall.
- Comfortable seating arrangement with proper lighting.
- Separate quiet study zone for serious learners.
- Extended library hours during university examinations.

The library plays a pivotal role in developing critical thinking, research aptitude and evidence-based practice among nursing students.

LABORATORY

Our college has well-equipped and spacious laboratories that provide hands-on training to develop clinical competence and practical skills among nursing students. All laboratories are designed as per the norms and guidelines of the Indian Nursing Council (INC).

Effective learning is supported by strong infrastructure and modern facilities. Saviour College of Nursing provides a well-planned academic environment that helps students gain both theoretical knowledge and practical skills. The institution is equipped with:

- Well-equipped classrooms with modern teaching aids
- Common multipurpose hall
- Nursing Practice Lab
- Advanced Nursing Skill Lab
- Nutrition Lab
- Library with updated books and journals
- Audio-Visual Aids Room
- Community Health Nursing Lab
- Maternal and Child Health Lab
- Auditorium for academic and cultural programs
- Anatomy and Microbiology Lab
- Computer Lab with internet access

These facilities help students develop confidence, competence, and hands-on experience for quality patient care.

Objectives:

- To bridge the gap between theory and practice.
- To enhance clinical skills and confidence before hospital postings.
- To promote safe and evidence-based nursing care.

Our laboratories play a vital role in preparing students to deliver competent, compassionate and professional nursing services.

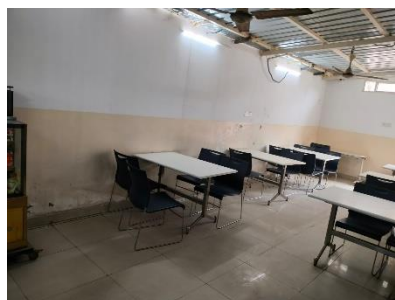

HOSTEL

The college provides safe, comfortable, and well-maintained hostel accommodation for female students with 24-hour security, hygienic rooms, study environment, and basic amenities under strict supervision.

CAFETERIA

A clean and hygienic cafeteria is available on campus, serving nutritious and affordable meals and refreshments, maintaining proper quality and sanitation standards for students and staff.

RECREATIONAL FACILITIES

There is an exclusive recreation room for student nurses.

T.V., VCD and other indoor & outdoor games are available at the Institute.

Separate common room, canteen services, water coolers, electricity generators and overall greenery and sufficient open space is available in the campus.

Students participate in various SNA activities organized throughout the year.

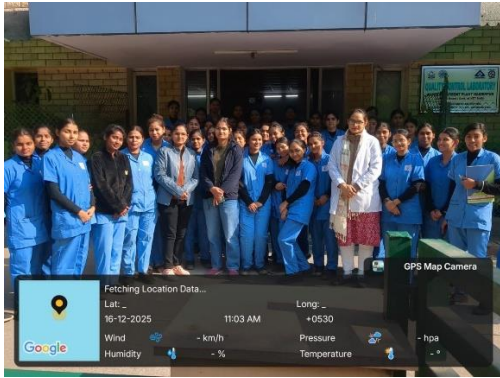

Multipurpose Hall

Saviour College of Nursing has a spacious and well-equipped **Multipurpose Hall** used for academic and co-curricular activities such as seminars, workshops, guest lectures, cultural programs, oath-taking ceremonies, SNA activities, examinations, and student meetings. The hall provides a comfortable learning environment with audio-visual facilities to support interactive teaching and professional development of students.

Educational visits

Saviour College of Nursing organizes regular educational visits to broaden students' practical understanding of community health and social care. Students visit institutions such as Mother Dairy, sewage and water treatment plants, old age homes, de-addiction centres, orphanages, and special child care homes to gain real-life exposure, promote empathy, and strengthen their community-oriented nursing skills.

Alumni Meet

Saviour College of Nursing organizes Alumni Meet regularly to reconnect with former students and celebrate their achievements in nursing practice and higher education. These gatherings provide a platform for alumni to share their professional experiences, guide current students, and strengthen the bond between the institution and its graduates, promoting continuous growth and inspiration for future nurses.

CODE OF CONDUCT FOR STUDENTS – Saviour College of Nursing

RULES & REGULATIONS

To maintain discipline, professionalism, and a healthy academic environment, all students must follow the rules of the College and Hostel.

1. General Rules

- Stay in the hostel is compulsory.
- All fees must be paid in advance. Fees and other charges once paid are non-refundable under any circumstances.

- c) Ragging in any form is strictly prohibited as per Indian Nursing Council and Delhi Nursing Council guidelines.

2. Academic Rules

- a) Students must be punctual and regular for lectures, demonstrations, and clinical postings. Minimum 75% attendance in theory is required to appear in examinations.
- b) Missed clinical or community postings must be completed during holidays/vacation.
- c) Students must obtain at least 50% marks in internal tests.
- d) Institute discipline must be strictly followed. Misbehavior, refusal of duty, poor performance, strikes, or misconduct may lead to expulsion without claim.

3. Responsibility & Conduct

- a) Students must pay for any damage to institutional property or library books.
- b) Students should not keep valuables such as jewellery or cash; the Institute is not responsible for any loss.
- c) All students must become members of the Student Nurses Association (SNA) and participate in extracurricular activities. Annual SNA fee must be paid at the start of the session.
- d) The Institute is not responsible for students while travelling to hospital, community postings, or home.
- e) Students cannot leave hostel or hospital premises without permission.
- f) Visitors are not allowed during class hours without permission.
- g) Students must not accept gifts or money from patients or relatives.
- h) Improper behavior with hospital staff or in field areas will be viewed seriously and may lead to termination of training.
- i) Students cannot appear for other examinations or competitions during training without permission.
- j) The Principal/Director reserves the right to change timetable or yearly planner.
- k) In all matters, the decision of the Principal will be final.
- l) Students must wear complete, clean, and neat uniform with ID card at all times.
- m) Hostel rules must be strictly followed.

To maintain discipline, dignity, and a healthy academic environment, all students of **Saviour College of Nursing** are expected to follow the rules and regulations of the college and hostel.

4. Authority for Discipline

- a) All powers related to discipline and disciplinary action are vested in the **Principal** of Saviour College of Nursing.

- b) The Principal may delegate such powers to the Vice-Principal, Nursing Superintendent, Wardens, or other authorized staff members.

5. Acts of Indiscipline

The following actions will be considered serious misconduct:

- a) Physical assault, threat, or abusive behavior towards teachers, staff, patients, or fellow students.
- b) Carrying or using any weapon within the college, hospital, or hostel premises.
- c) Any act insulting the dignity of students belonging to SC/ST/OBC or any community.
- d) Any form of harassment, discrimination, or disrespect towards women.
- e) Bribery, cheating, forgery, or any corrupt practice.
- f) Damage or destruction of college, hospital, or hostel property.
- g) Creating religious, caste, or communal hatred.
- h) Disturbing classes, clinical duties, examinations, or college activities.
- i) Ragging in any form is strictly prohibited as per **Indian Nursing Council** and **Delhi Nursing Council** guidelines. Students involved in ragging will face strict punishment including suspension, rustication, fine, or cancellation of admission.

3. General Student Responsibilities

- Maintain discipline in classrooms, clinical areas, library, and hostel.
- Wear proper uniform and identity card.
- Maintain regular attendance as per college and university rules.
- Respect patients, staff, and institutional property.
- Follow ethical nursing standards and professional behaviour.

4. Disciplinary Action

Depending on the seriousness of misconduct, the college may take action such as warning, fine, suspension, withholding results, or expulsion from the institution.

Saviour College of Nursing expects every student to uphold honesty, respect, compassion, and professional ethics to become responsible and caring nurses.

Leave Rules

- **Annual Vacation Leave:** 30 days per year.
- **Sick Leave:** 10 days per year. (*Sick leave will not be carried forward or accumulated.*)
- **Preparatory Leave:** 7 days per year before examinations.

Note: Students who miss classes or clinical postings must complete the **make-up duties** by adjusting days from their annual vacation leave.

HOSTEL

RULES & REGULATIONS FOR HOSTEL INMATES:

1. It is compulsory to stay in Hostel during training period.

2. Mobiles are strictly prohibited.
3. Students are advised not to keep large sum of money, any costly items /jewellery in their rooms. Authorities are not responsible in case of any loss or damage.
4. Cooking in rooms is strictly prohibited. No heater / room heaters are allowed in the rooms. Also no one is allowed to use press (Iron) or rod in their room. If found then heavy fine will be imposed. All the students must join the mess.
5. No visitors are allowed in the rooms.
6. Visiting Hours: 10:00 AM to 3:00 PM (Sunday only)
7. Students are responsible to keep their rooms absolutely clean and tidy.
8. All the students must join the mess.
9. The mess timing for different meals:
